

# PROFESSOR ANDRZEJ K. TARKOWSKI – PIONEER OF MAMMALIAN EXPERIMENTAL EMBRYOLOGY

## Summary

Below we present the main discoveries of Prof. Andrzej K. Tarkowski and his contributions for the development of the Polish school of experimental embryology of mammals. The jubilee of 80 years of

Prof. Tarkowski and the recognition of his work by the Foundation for Polish Science through the annual scientific award called the Polish Nobel Prize were special opportunities to write this article.
